

PSTA-2955(-W)
PSTK-2955(-W)

Short Throw Projector Mount

For Projectors up to 35lb (15kg)

The Peerless-AV® Short Throw Projector Mounts provide installation flexibility for single stud or double stud applications. The universal telescoping arm is easily adjustable to accommodate various short throw projector distance requirements and the PSTK series also provides up to 6" (152mm) of lateral adjustment for perfect projector placement. Complementary to the universal design of the short throw projector arm, this comprehensive package comes with Peerless-AV's Universal Precision Gear Projector Mount that makes image alignment as simple as a turn of a knob. To tie it all together, the internal cable management system provides a clean clutter-free solution.

Max load: 35lb (15kg)

FEATURES

- Telescoping arm design provides a large range of mounting options with convenient lockdown slots at every point
- Access slots allow for internal cable management
- Pre-installed security screws lock down short throw arm and prevent tampering
- Includes PRGS-UNV Projector Mount with precision gear alignment and adjustment knobs to control tilt and roll alignment
- Specifications:
 - Pitch: $+15^{\circ}/-20^{\circ}$
 - Roll: $\pm 5^{\circ}$
 - Swivel: $\pm 15^{\circ}$ (during installation)

Double stud wall plate allows for 6" (152mm) of lateral adjustment for precise alignment of the ultra-short throw projector, with PSTK model

Post-installation lateral adjustment for optimal arm alignment, with PSTK model

Cable management access holes provide internal cable management

Pre-installed security hardware to eliminate tampering
