Remote Jack Pack Holder

For select LG 32", 37" and 42" flat panel TVs

The Remote Jack Pack (RJP) holder is designed to provide a secure, functional solution to mounting LG's RJP unit below the TV. Works with LG 32LC50C, 37LC50C and 42LC50C hospitality TV models. A special 3-foot length cable bundle with cable management sleeve is provided for a simple and clean installation. The RJP holder inserts into the bottom of the LG TV using the cavity vacated when the base stand of the TV is removed. The RJP holder can be used in conjunction with a variety of Peerless wall and desktop swivel mounts.

FEATURES

- Incorporates LG's auto-sensing Remote Jack Pack unit as a multimedia interface to the TV
- Jack pack unit offers simultaneous connection to a variety of media devices, such as DVD/CD players, laptop PCs, video game players, MP3 players, camcorders, etc.
- Inserts into bottom of TV using the cavity vacated when base of TV is removed
- Short cable allows for simple cable management in provided cable sleeve
- Works with most Peerless desktop swivel and wall mounts

TV size: 32", 37", 42"
