

peerless-AV®

# Stabilis™ Home Safety Kit

For up to 60" TVs

**SECURE**

Effectively prevents TVs from being easily pulled forward or pushed backwards

**SAFETY**

Safeguards against injuries resulting from TVs tipping and falling off furniture

**COMPATIBLE**

Attaches to traditional furniture and modern glass TV stands as well as walls

**SWIVEL**

Allows TV to be rotated left and right while remaining safely and securely in-place

Rotational and adjustable mechanism offers swivel and fits most TVs

Quickly fastens to a variety of AV furniture stands and walls

ACSTA1-US

The Stabilis™ Home Screen Safety Kit is an effective, universal solution for safely securing flat panel TVs. Fitting a full range of LCD and plasma models up to 60", the kit secures the TV to a flat surface or wall, allowing for continued right to left swivel without the potential problem of the TV tipping forwards or falling backwards. The Stabilis™ kit offers a sense of security with a rigid clamping system that fastens the TV to a variety of furniture pieces, or direct to a wall behind the TV and furniture.

### Product Features:

- All-in-one universal mounting solution for securing flat panel TVs in the home
- Securely positions TV to prevent accidental tipping forward or backward
- Sleek design fits any environment with swivel for the perfect viewing angle
- Rigidly clamps to all types of furniture or can be screwed directly to a wall or TV cabinet offering flexibility in TV placement options
- Built-in telescoping height adjustment fits a full range of LCD and plasma TVs up to 60"
- Rotational mounting plate allows TV to swivel while remaining securely fastened to prevent tipping
- Includes all mount and attachment hardware for TV and furniture/wall attachment
- Supports a maximum weight load capacity of 132lb (60kg)
