**Universal Ultra Slim Articulating Wall Mount**

FOR 37" TO 65" ULTRA-THIN DISPLAYS*

One of the thinnest wall arm mounts on the market, the Peerless-AV® DesignerSeries™ Universal Ultra Slim Articulating Wall Mount is designed exclusively for ultra-thin displays. The SUA761PU is built to hold medium to larger displays firmly in any position – landscape or portrait – while still offering an ultra-low profile. An innovative I-shaped adaptor plate makes it easy to access the back of the display, keeping hardware hidden, and features internal cable management, providing a clean, professional look that transitions smoothly from the wall to the display. With a gloss black finish, the SUA761PU matches any décor.

- Universal mount accommodates 200 x 100 to 600 x 400mm VESA® mounting patterns
- Arm retracts to 1.85" (47mm) and extends up to 24.85" (631mm) from wall
- One-Touch™ tilt mechanism allows adjustment of +15/-5° without the use of tools
- Up to ±90° of side-to-side swivel
- Added ±5° of roll for post-installation display leveling without the use of tools
- Up to ±0.5" (13mm) of vertical adjustment for post-installation leveling and height adjustment fine-tuning
- Landscape or portrait mounting options increases display versatility

---

Please visit peerless-av.com/en-us/patents for patent information.

*This display size range is simply a guideline for product selection. Displays larger than the screen size range may still be compatible as long as they fall within the VESA® pattern and max weight of the Peerless-AV® product.
*Designed for use with displays that are less than 3" (76mm) deep.
†The display must have a flat mounting surface, or mounting holes need to be on the furthest back surface of the display.
The DesignerSeries™ Universal Ultra Slim Articulating Wall Mount shall be a Peerless-AV model SUA761PU and shall be located where indicated on the plans. Assembly and installation shall be done according to instructions provided by the manufacturer.
