The ACC-FLIP65 is an accessory adaptor that allows the 65” Samsung Flip (WM65R) to be mounted to existing Peerless-AV® Flip solutions. The adaptor brackets are installed between the display and the RM3-FLIP (wall mount) or SR560-FLIP (cart) to allow the display to rotate from landscape to portrait. To help prevent any movement when using the mounted touch display, the adaptors are made from a solid tube for extra strength. The plastic end caps provide a clean, finished appearance.

- Allows the display to be easily rotated from landscape to portrait orientation without any tools
- 400 x 400 VESA® and custom length M8 hardware provide the proper mounting solution for the Samsung Flip
- Security hardware deters tampering and theft

**ACCESSORY MOUNTING KIT**

**ACC-FLIP65**

**FOR 65” SAMSUNG FLIP (WM65R)**
