High Speed HDMI® Cables with Ethernet

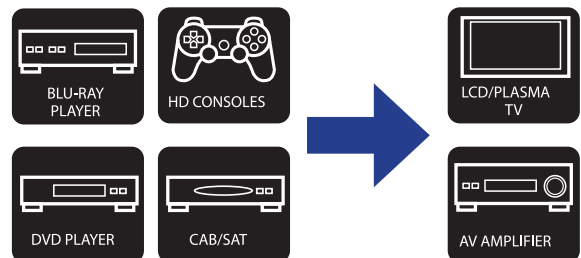

HDMI plug to HDMI plug

Product Description

Connect your Blu-Ray player, Cable/Satellite receiver or other HD AV device to an LCD/Plasma TV or compatible device. Superior cable design for the latest generation of HD devices, delivering high speed data transfer required for 3D TV, internet-enabled AV devices and the latest HD sound formats.

Features & Benefits

- **High Speed HDMI® Cable with Ethernet - HDMI® certified**
- 3DTV compatible (stereo FULL HD 1080p image resolution)
- Ethernet channel for connecting Internet-enabled AV devices minimising cabling
- Supports 4k x 2k image resolutions (2160p) and Full HD (1080p) compatible
- x.v. Colour profile support for digital cameras and camcorders
- Audio Return Channel eliminates need for additional audio cable between TV with integrated receiver and Amplifier
- Oxygen Free Copper (OFC) conductors minimises signal loss and distortion
- Triple shielding protects from external radio (RFI) and electromagnetic (EMI) noise
- Dual moulded colour-coded headshell with side grips for easy connection
- PVC outer jacket protects internal conductors from wear-and-tear
